? Stephen Grosz, The Examined Life: How We Lose and Find Ourselves "Being present, whether with children, with friends, or even with

oneself, is hard work. But isn't this attentiveness -- the feeling that someone is trying to think about us -- something we want more than praise?"

Living an Examined Life | Psychology Today

Authored by Frank Redmond, 2006. For, according to Socrates, the examined life is a life whereby one is in constant, coherent dialogue both with others and with oneself concerning the meaning and truth of terms like 'virtue' and the 'good' in order to find their respective values. Furthermore, the examined life is a life of action,...
