' The Founder ' s Mentality ' : Leveraging Startup Thinking for ...

The founder ' s mentality consists of three defining traits. The first is, according to the authors, “ the insurgent mission ” — the belief that the company is not simply selling products but is at “ war ” with an industry stuck in the past or underserving customers. The second defining trait of the founder ' s mentality is “ the front-line obsession, ” which is more than an intense focus on customers and the front-line employees who serve them. Founders tend to obsess about every ...
