Find helpful customer reviews and review ratings for The Friendship Factor: How to Get Closer to the People You Care for at Amazon.com. Read honest and unbiased product reviews from our users.

The Friendship Factor: How to Get Closer to the People You ...

A couple of factors contribute to this struggle. First, many teens spend inordinate amounts of time on social media, and one of the side effects is that they often neglect real-world relationships. One study found that teens who frequently use social media — and have a lot of online “friends” — report feeling more lonely than peers who have less of an online life.

The Friendship Factor - Part 1 Sermon by Daniel Harman, 2 ...

In The Friendship Factor he uses vivid case studies to differentiate normal development from potential problems and real distress, exploring how to: Distinguish between a solitary child and a lonely child Encourage the development of “popularity-as-likability,” not “dominance” Help an easily angered child be less aggressive Increase a child’s social ability with specific skills and strategies

In recognizing that friendship is the springboard to every other ...

Book Friendship Factor Long - CyberParent

Research reveals great friends lead to good health, but that’s just a byproduct says Darlene Quinn. Other times, the bond is just for a short period. Either way, friendships are a vital part of life.” As she researched her novel, Quinn became fascinated by the motivations behind friendships. Not all friendships are equal and, over the long haul, not all turn out the way people might like.

The Friendship Factor: How to Get Closer to the People You ...

Old classic book, but just as good as ever. Alan Loy McGinnis is the best on friendship. The update is excellent and I would strongly recommend it to anyone who wants to repair a friendship, build one, or overall be a better friend. My only complaint is that he’s overly tough on people who divorce.
