Creation. The Truth of who you really ALL are, where you ALL originate and came from, and the strong desire to hide your true origin as sacred and glorious parts of the ONE Universal Energy. The Source, Godhead, Universal Energy, Spiritual Consciousness, LOVE, these are mere words that are used to try describe the whole creation.

### 13 Energy Books You Need to Read - The Atlantic

But it can actually be really easy to change the energy around you and create an amazing platform for the money, love, health, creativity, or peace that you desire. When I learned about Chi, the name given to life force, my understanding of energy became much more concrete. Chi is essentially energy, but it's experienced through the senses.

### The Good Energy Book by Tess Whitehurst

2. A key to good energy is that people are actually supposed to like what they're doing and be informed about what is driving the company. In his book, *Using the Power of Purpose*, Dean Tucker cites data from a Harris Poll. Of those surveyed: Only 37 percent of employees clearly knew the company's goals;
