The Great Chain of Being - City University of New York The Divine Order - The Great Chain of Being In Elizabethan times, there was a different way of looking at life. People, including Shakespeare believed in a Divine Order, or Great

The Divine Order - The Great Chain of Being - Shakespeare

...

From later antiquity to the close of the 18th century, most educated men accepted without question a traditional

view of the plan and structure of the world. In this volume, Lovejoy copiously illustrates the influence of this conception, and of the ideas out of which it was compounded, upon the imagination and feelings as expressed in literature.

The Great Chain of Being
Among the most important of the continuities with the Classical period was the concept of the Great Chain of Being. Its major premise was that every existing thing in the universe had its "place" in a divinely planned hierarchical order, which was pictured as a chain vertically extended.

Great Chain of Being - New World Encyclopedia

The scala naturae, also known

as the great chain of being, places humans at the top of a hierarchy of complexity, intelligence, and value. Furthermore, intrinsic to this scheme is the idea that there is a qualitative difference between humans and all other animals.

The Great Chain of Being - Arthur O. LOVEJOY, Lovejoy ... The light that was mentioned suggests that all was right with the world, the Great Chain of Being was in proper order. The idea that light signifies the natural order of things is enforced when the nobleman Ross says, "And yet dark night strangles the traveling lamp [the sun]".
