(Oxford University Press, 1965) This is the title of a book I am currently reading. It is a compilation of 13 essays (3 in the appendix, hence the 10 in the title) on 13 historic economists by historic economist J. A. Schumpeter. This has been a real treat to read (in spite of the "Austrian" tone) and has made me aware of some research topics that should be of interest. One is Léon Walras ...
