“The Hidden Oasis evokes a lost world of primordial myth that men have sought since the very dawn of history—the twist: this time, the seeker is a female mountain climber! Amidst non-stop action—and literal cliffhangers—Paul Sussman again convinces us that there is nothing boring about the lost worlds of archeology.” -Katherine Neville, author of The Fire

" The Hidden Oasis evokes a lost world of primordial myth that men have sought since the very dawn of history... amidst non-stop action - and literal cliffhangers - Paul Sussman again convinces us that there is nothing boring about the lost worlds of archaeology" (KATHERINE NEVILLE, author of The Eight)

### **The Hidden Oasis by Paul Sussman (2010, Paperback) for ...**

I have read both of the other Paul Sussman books and loved them. They were five stars each. In those the reader is drawn in at the beginning and keeps the archeological lesson brief and lively. The Hidden Oasis moves slower and the history and archeological lessons are longer. The story or plot line is much drier and at time slows to a crawl.

Amidst non-stop action--and literal cliffhangers--Paul Sussman again convinces us that there is nothing boring about the lost worlds of archeology." -Katherine Neville, author of The Fire, " The Hidden Oasis is a rip-roaring gem of a read....You are in for a real treat!"

### **The Hidden Oasis (Audiobook) by Paul Sussman | Audible.com**

This is the first novel I have read by this author. When Freya's sister committs suicide, she teams up with Egyptologist Flin to locate the hidden oasis hoping to find answers to questions about her sister's death. The duo finds it difficult to determine friend or foe. Twin assasins inject humor throughout this thrilling adventure.

### **Amazon.com: The Hidden Oasis (9780802145079): Paul Sussman ...**

Lovely story woven around a hidden oasis in the Sahara desert. As always, may his soul be blessed, Paul Sussman gave us adventures and thrills based on super serious documentation and characters to root for, including the mysterious and fascinating Benben (a she, a he, an it? we will never know and that's the beauty).

### **THE HIDDEN OASIS by Paul Sussman | Kirkus Reviews**

The Hidden Oasis- thoroughly enjoyed This is a well written book based in modern Egypt (prior to recent political events) good descriptive writing though I felt that the plot became a little unbelievable towards the end - though maybe that is one of the attractions of stories linked to ancient egypt.

### **The Hidden Oasis by Paul Sussman - Goodreads**

Paul Sussman was a journalist, author, and field archaeologist, and the author of the international best sellers The Lost Army of Cambyses, The Last Secret of the Temple, and The Hidden Oasis.

### **The Hidden Oasis - Kindle edition by Paul Sussman. Mystery ...**

Sussman (The Last Secret of the Temple, 2007, etc.), himself a sometime field archaeologist, gets off to a slow start but eventually settles into a tense groove, occasionally leavened by flashes of classic screwball humor. Although the British author gets some details wrong (Yanks hardly ever say “bloody” or “arse” and always know what a Hardees is), for the most part his American characters feel real.
