Sayre, Humanities, The: Culture, Continuity, and Change ...

To me Humanities is about multiple cultures and history from around the ENTIRE globe. The title of the book and the class shouldn't be so all encompassing if it's really going to leave out so much. I also didn't care to learn about history primarily through the perspective of art.

The Humanities Culture Continuity And The Humanities: Culture, Continuity and Change, now in a third edition, has become, in a very short period of time, the best selling Introduction to Humanities text on the market. With its message of "see context and make connections across the humanities," students enjoy countless "ah-ha" moments as they piece together the cultural history of world.
