20th Century World History Chapter 1 Flashcards | Quizlet

Nationalism. It is traditional, therefore, to distinguish nations from states - whereas a nation often consists of an ethnic or cultural community, a state is a political entity with a high degree of sovereignty. While many states are nations in some sense, there are many nations which are not fully sovereign states.

Nationalism as an ideology - Nationalism, Self ...

Nationalism is an ideology and movement that promotes the interests of

a particular nation especially with the aim of gaining and maintaining the nation's sovereignty over its homeland. Nationalism holds that each nation should govern itself, free from outside interference, that a nation is a natural and ideal basis for a polity, and that the nation is the only rightful source of political power. It further aims to build and maintain a single national identity—based on shared social ...
