The first North America-set novel by Allende (The Stories of Eva Luna, 1991, etc.) begins with a beguiling freshness that rapidly degenerates into boring leftist commentary-cum-melodrama— in a plot that goes on and on until it mercifully fizzles out in platitudes. Long-troubled Gregory Reeves, who's never been able to regain the security of his early childhood (cutely recalled now in the ...

Isabel Allende - The infinite plan

The Infinite Plan has neither great writing nor a great story concept; in fact, I'd be hard-pressed to summarize a storyline at all. Character development is limited to characters getting older and having fairly predictable things happen to them, with little conversation or Isabel Allende has been high on my list of writers to check out.
