I just received an email from one of my regular readers who is curious to know if there is any way to find out when a table is recently updated (or last date time updated). I was ready with my answer! I promptly suggested him that if a table contains UpdatedDate or ModifiedDate date column with default together with value GETDATE(), he should make use of it.

The Last Time I Was

More Americans voted for Hillary Clinton than any other losing presidential candidate in US history.
