What is Banking Law? Banking law covers the many state and federal regulations governing financial institutions. Attorneys who practice in this area of the law handle everything from customer disputes and complaints against a bank, to complex litigation between domestic and foreign institutions, their investors, the government, and other parties.

The Law of Multi-Bank Financing - Agasha Mugasha - Oxford ...

Multi-bank financing has developed within the framework of general principles of law such as contract, property, tort, and securities regulation. The drafting of loan participation and loan syndication agreements as well as their adjudication in court is done against the backdrop of these principles.

The Law Of Multi Bank

"The Law of Multi-bank Financing is a comprehensive and carefully documented exposition of a very topical branch of international banking law. It is intensely practical in so far as it focuses on contemporary practices, the terms of contract, the parties' relationships, and the legal principles applicable at every stage of the evolving relationships."
