like annotations.

Measuring student learning | Center for Teaching Innovation

Adapt your approach to teaching aspects of a course based on thematic gaps in student learning that are easily identified by reviewing rubrics across a class. Develop consistency in how you evaluate student learning across students and throughout a class. Reduce time spent on grading; Increase time spent on teaching. Rubrics help students:

The Learning And Teaching Of

These assessments reveal how and what students are learning during the course and often inform next steps in teaching and learning. Rather than asking students if they understand or have any
