The Line of Polity (Agent Cormac Series #2) by Neal Asher ...

The Polity is populated with a range of characters from cyborg soldiers to super cool secret agent types, Separatist rebels, smugglers, and mysterious, super-powerful alien entities. My main problem with "The Line of Polity" comes in the shape of a "deus ex machina" at the end.

The Line Of Polity Agent

Even though Neal Asher's "The Line of Polity" (4th in the "Polity" series and 2nd in the "Agent Cormac" sub-series) is written very similar to the other books in the series, I'm dropping it a star from my ratings for those books. In this one, Asher introduces too many characters, too many subplots, and the battles just go on for too long.
