Whisky Flavour | Taste Of Whisky | Malts - Malts Whisky

Note: The maps below indicate the locations of both working and closed distilleries. A closed distillery is one which has been permanently closed down, probably because it was uneconomical to run at the time of closure. When closure happens, normally the equipment is dismantled and sold off, so it's very unlikely that the distillery could re-open in its usual form.

Speyside Malt Whisky Distillery Map - Google My Maps

This map was the perfect gift for my husband, who loves Scottish single malt. This map shows the territories from which the different single malts derive. In addition it has a log for you to write about your experience with that whisky.
