females who are attractive to men. Which according to Anton, is only about 10% of females.

Female orgasm: What women want has taught me that what women want is simple: to be asked their opinion and for their answers to be listened to and acted upon. They seek equality in the workplace, an ever-equal sharing of the 'load' from

The Manual - What Women Want and How to Give It to Them PDF

A lot of guys think they know what a woman wants in a man. They assume women want money, muscles, and status when it comes to the kind of guy they choose when, really, those things don't matter as much you might think. Women are a lot more complicated and, thankfully, not as superficial as just wanting material things.
