White examines the "middle ground" as both a place (the pays d'en haut of the Great Lakes region between 1650-1815) and a process of mutual accommodation between Algonquian-speaking Indians and French, British, and Americans. The middle ground consisted of creative misunderstandings in which Indians and Europeans attempted to build a set of mutually understandable

This Middle ground of overlapping cultures and lifestyles brought mutual understanding, changes in all societies and influence on one another, not assimilation. The big colonial wars, however, concludes White, led to sudden ruptures of accommodation and common meanings between Europeans and Indians.

In 1991, he published *The Middle Ground: Indians, Empires, and Republics in the Great Lakes Region, 1650-1815*. In this well written, nuanced, wonderfully argued, and extensively researched work, White explores the relationships between Indians and Indians, Europeans and Europeans, and Europeans and Indians in the Great Lakes region (known as the pays d'en haut) between 1649, the beginning of the widespread Iroquois invasions, and 1815, the end of the War of 1812 and the death of Tecumseh.
