We understand that reading is the simplest way for human to derive and constructing meaning in order to gain a particular knowledge from a source. This tendency has been digitized when books evolve into digital media equivalent – E-Boo

The Myst Reader

The Myst series of adventure computer games deals with the events following the player's discovery of a mysterious book describing an island known as Myst. The book is no ordinary volume; it is a linking book, which serves as a portal to the world it describes. The player is trapped on the island and must unravel the world's puzzles in order to return home.

Characters of Myst - Wikipedia
