PATRICK J. GEARY The, Myth of Nations: The Medieval Origins of Europe.

The Myth of Nations | Princeton University Press

In The Myth of Nations: The Medieval Origins of Europe, Geary argues that nationalism, as perceived by most people around the world, is a myth. Modern day Germans, Serbs, or any other "ethnic" people share nothing in common with their barbarian ancestors. Furthermore, such modern-day peoples have no right to land through "primary...

The myth of nations : the Medieval origins of Europe (Book ...

The Myth of Nations presents an interesting premise: that historical nations are not the descendants of the peoples of the classical era (as they would almost all like to claim) but rather are constructs that evolved in the middle ages -- roughly from the decline of Rome in the 5th century until sometime around 500 years later, depending on the region.
