The Next America - Boomers, Millenials & Technology Showdown

Millennials, also known as Generation Y, are the demographic cohort following Generation X and preceding Generation Z. Researchers and popular media use the early 1980s as starting birth years and the mid-1990s to early 2000s as ending birth years, with 1981 to 1996 a widely accepted definition. Millennials are sometimes referred to as "echo boomers" due to a major surge in birth rates in the 1980s and 1990s, and because millennials are often the children of the baby boomers. The characteristics

In every society since the start of history, whenever you broke down any population this way, you'd always get a pyramid. But from 1960 to 2060, our pyramid will turn into a rectangle. We'll have almost as many Americans over age 85 as under age 5. This is the result of longer life spans and lower birthrates.
