The Overachievers profiles nine students at one of the top public schools in the country. Most of the students are from wealthy families and do not need to worry about how they will pay for college. In fact, most of them are not actually worried about getting into college so much as getting into the Right College. You know, Harvard, Yale, Stanford.

If you're already homeschooling, The Overachievers should strongly reinforce your commitment. If you're not, it'll show you a deep pitfall of public schooling that you may not have considered. It will also move you to pity for those who walk in darkness, without the Light of the World, Jesus Christ, and present you with another powerful argument as to why American Christianity so badly ...
