The Pendragon Legend by Antal Szerb - Goodreads

"The Pendragon Legend" by Antal Szerb is an uneven gothic story set in Wales after World War One. It includes the usual spooky castle, mysterious characters, and ancient secrets, but with a modern twist of somewhat witty comments by the main character (Batky). It is an interesting premise, but it is inconsistent and the plot drags in places.

The Pendragon Legend is a 1934 novel by the Hungarian writer Antal Szerb . The book is a philosophical thriller/comedy/murder-mystery/ghost story set first in London and then in Wales. A mystical element is diffused through an increasingly complex plot, as all threads converge in the final chapters. The Pendragon Legend was first translated into English by Lili Halápy in 1963, and again by Len Rix in 2006.

The Hungarian Antal Szerb is probably best known to most of us for Journey by Moonlight (which I began earlier in the year and need to come back to), but The Pendragon Legend is his first novel, written after he'd spent a year studying in England in 1929-30.
