Investing in crowdfunding, syndications, and funds The concept behind crowdfunding , syndications , and funds is that you're investing in a passive manner with real estate professionals. They've laid out an opportunity for you to invest in (becoming a limited partner/owner in an apartment building, for example) and they expect to handle all of the aspects in running that investment.

**The Physician's Guide to Investing: A Practical Approach ...**

I'm sure the guy is good at investing, but he is NOT good at writing. It was a very poorly edited, wind-baggy book. I kept reading because I thought the content might make up for that fact, but the only information that seemed unique to a physician is that he talked about how physicians have to start investing later than most people because of th David borrowed this from the Mayo library.
