The Poorer Nations: A Possible History of the Global South. Just as The Darker Nations asserted that the Third World was a project, not a place, The Poorer Nations sees the Global South as a term that properly refers not to geographical space but to a concatenation of protests against neoliberalism.

The Poorer Nations: A Possible History of the Global South ...

The Poorer Nations is nevertheless engaging and will pique a desire to pursue further studies among those who care about the global economy, underdevelopment and injustice. Its "possible history" comes alive in the final, speculative chapter in particular, where social movements and their potential for breaking the West's (G7's) supposed stranglehold on the developmental aspirations of people across the global South are evaluated.
