The Price of Inequality Summary | SuperSummary

Income inequality is a core issue in America. The concentration of income among the richest earners has soared since the 1980s. In 2007, after-tax income averaged \$1.3 million for the top 1% of income earners and \$17,800 for the bottom 20%.

The Price Of Inequality

The Price of Inequality: ... A forceful argument against America's vicious circle of growing inequality by the Nobel Prize-winning economist. America currently has the most inequality, and the least equality of opportunity, among the advanced countries. While market forces play a role in this stark picture, politics has shaped those market ...

The Price of Inequality: How Today's Divided Society ... American economist and professor Joseph Stiglitz's non-fiction book, *The Price of Inequality* (2012), chronicles the growing disparity of wealth in the United States and other developed nations while recounting the broad societal costs of widespread income inequality.

Joseph Stiglitz (2012) *The Price of Inequality* | J.B. Gilmore
"Joseph Stiglitz, *The Price of Inequality* "The more divided a society becomes in terms of wealth, the more reluctant the wealthy are to spend money on common needs. The rich don't need to rely on government for parks or education or medical care or personal security."

The Price of Inequality: How Today's Divided Society ...

Joseph E. Stiglitz's new book, *The Price of Inequality*, is the single most comprehensive counterargument to both Democratic neoliberalism and Republican laissez-faire theories. While credible economists running the gamut from center right to center left describe our bleak present as the result of seemingly unstoppable developments—globalization and automation, a self-replicating establishment built on "meritocratic" competition, the debt-driven collapse of 2008—Stiglitz stands apart in ...

I began with so much sympathy for the ideas in The Price of Inequality, by Nobel-Prize winning economist Joseph Stiglitz, so why did I grudge-read the book the whole way through? I concur about the causes and problems of persistent and rising inequality in the United States, and I suspect Stiglitz and I would vote Continue
