**THE PRINCESSA by Harriet  
Rubin | Kirkus Reviews  
Machiavelli showed the prince  
how to use conflict in order to  
establish control. For the  
Princessa, the goal is not  
control, it's impact, having a  
presence of authority. The  
theme of the book is how to  
become powerful without  
becoming a man. Women  
can't play by the established  
rules of power in society  
because they are men's rules.**

**The Princessa: Machiavelli For  
Women by Harriet Rubin  
The Princessa€also works  
from the assumption that a  
woman's kind of power is very  
distinct from a man's. A  
woman's power is subtler,  
more nuanced. Instead of  
using conflict to annihilate,  
the princessa uses conflict to  
reshape alliances. Instead of  
competition, there is  
provocation. To a princessa,  
love is a kind of power and  
power is a kind of love.**

**Machiavelli for Women ...  
The Princessa: Machiavelli for  
Women. At the core of every  
true prince, Machiavelli  
claimed, lay the wherewithal  
and the willingness to  
exercise power, preferably  
with ruthless cunning. A  
prince's life was enriched by  
conscience-free conflict. To  
the winner went all the spoils.  
While also concerned with  
power, in its broadest  
sense,...**
