4 stars for The Raven Queen's Harem books 1-6 by Angel Lawson. This is my first book from this author and I loved it. In this book is different than most other Reverse Harems that I have read, it is original.

Ebony Rising (The Raven Queen's Harem #2) by Angel Lawson
Morrigan is said to be a phantom-like banshee queen that is associated with anything war. And she is often represented by a black bird, some say crow and others say raven. There are so many different interpretations of this war goddess, and Raven's Mark is a loose representation that does keep some major elements of the folklore.

Raven's Mark (The Raven Queen's Harem Part 1)
Midnight's End is the final installment in this paranormal reverse harem (RH) series, and it is a fitting one. It stayed true to the rest of the series and resolved all of the outstanding issues. If I wrote about the things I liked best it would spoil it so I won't (but trust me, there was a LOT I liked in this last book).
