### Rediscovering Things of Science

A man develops in mind, soul, and body by making use of things, and society is so organized that man must have money in order to become the possessor of things; therefore, the basis of all advancement for man must be the science of getting rich.

### Making the complex simple | Science and technology | The ...

So Science of Things is basically Razorblade Suitcase part 2, albeit a little more refined, melodic, and polished. And, although there are no instant megahits like "Swallowed" here, Rosedale's throaty Cobain -influenced rasp on songs like the downbeat "The Chemicals Between Us" and "Prizefighter," coupled with Pulsford's meaty, chunky guitar sound, means that there's more than enough here to keep the fans happy.

### What is Artificial Intelligence? - Alan Turing

Things of Science brought journalists, teachers, and students alike in direct contact with not only the ideas but also samples of the actual stuff (unusual and often new materials) that researchers were inventing or studying.
