The Science of Success: How Market-Based Management Built ...

The Science of Success: How Market-Based Management Built the World's Largest Private Company is a book written by Charles Koch in which he delineates his philosophy of Market Based Management. Koch, the CEO of Koch Industries, Inc., wrote it in 2007. While many similarly-titled books by other authors exist, T. Boone Pickens argues that Koch's immense personal business success lends credibility to the book's concept.
