RSA Animate - Changing Paradigms - RSA

In truth, our paradigm is always shifting gradually. Life is always changing, we're not the same person we were five years ago let alone, a week ago. Life is always flux, ever-changing, ever-evolving. We often desire new things in our life, like upgrading your computer or getting a new smartphone.

Shifting Paradigms - Brookings

The education system isn't serving them any longer. Thus, it's time for a paradigm shift in education. It's not that some sectors of society are more interested in change than others. Instead, our children and youth have provoked this change. Their way of understanding and relating to the world has changed.
