The Sibley Field Guide to Birds of Eastern North America ...

The new second editions of the Eastern and Western Field Guides use the revised art, text, and maps from the Second Edition of the Sibley Guide to Birds (see this page for info about what was changed in that book). The new editions are the same size as the 2003 versions, but the layout is changed to match the format of the larger Sibley Guide to Birds, with each species in a vertical column ...

The Sibley Field Guide to Birds of... book by David Allen ...

I found Sibley to be the best guide for the field. While there is limited information, this guide provides essential information needed to make a positive identification. It includes multiple images of birds as well as any variants for gender, age, etc. While I would definitely suggest at least looking at other guides, I would say this is the ...

The Sibley Field Guide To

I have the Sibley Guide to Birds, Second Edition, Second Printing (July 2014) side by side with the "Sibley Birds East.", "revised edition" (March 2016). The coloration of the birds is far better in the "Sibley Guide to Birds. I will probably return this Field Guide. I would not be surprised if Knopf reprinted it.
