**The Skin that We Speak The book About Lisa Delpit In this chapter, Lisa Delpit describes how her daughter's experience at school gave her insight into what could be done in American schools for students who do not speak Standard English (SE). Her premise is that schools need to**

**The Harvard Educational Review - HEPG**  
**Delpit states that our skin is the appearance of our contact with the rest of the world: "a means to negotiate our interactions . . . how we perceive our surroundings and [how others] perceive us" (p. xvii). The appearance and the looks we possess create expectations as to whether we are clever or not.**
