Essay on Weber's Theory of Religion or Sociology of Religion

Marx's views on the sociology of religion came from 19th century philosophical and theological authors such as Ludwig Feuerbach, who wrote The Essence of Christianity (1841). Feuerbach maintained that people do not understand society, so they project their own culturally based norms and values onto separate entities such as gods, spirits, angels, and demons.

The Sociology Of Religion Max

Sociology of Religion is a 1920 book by Max Weber, a German economist and sociologist. The original edition was in German. Max Weber studied the effects of religious action and inaction. He views religion by simply categorized different religions in order to fully understand religion's subjective meaning to the individual (). By viewing religion strictly in the scientific sense, Weber was ...
