**The Song Reader Lisa Tucker**

**The song reader is about a teen named Leeann who is living with her sister, Mary Beth, their mom died and their father was no where to be found. Mary Beth is a song reader, a person who figure out peoples problems by going through the lyrics of the songs they can't stop listening to, one of her customers gave Mary Beth this baby boy named Tommy because no one wanted him.**

**Editions of The Song Reader by Lisa Tucker - Goodreads**

**Tucker soft-pedals her tale in the wry, admittedly confused first-person voice of Leeann, and while her characters may lack strenuous definition, her tale has a practical, albeit sentimental, appeal. An emotionally pale family romance, though Mary Beth's "song reading" may well prove its compelling hook.**
