This passage, from the last few pages of José Saramago's novel "The Stone Raft," acts as both summation and re-introduction to the story. I can include it here, and even say that it is critical to understanding the nature of the idea behind this book, without giving anything specific about the book away.

#### The Stone Raft (Harvest Book) - Kindle edition by José ...

From noted Portuguese writer Saramago (The Gospel According to Jesus Christ, 1993, etc.), a playful "what-if" tale - what if the earth were to crack and the Iberian Peninsula started sailing across the Atlantic? - that also slyly satirizes current European and international politics. As in all good fables, the catastrophe here is preceded by ominous but random happenings that lend an air ...
