The Tcs Story And Beyond

The initial story of TCS is basically the story of IT industry in India. As a CEO written story, it naturally focuses on the good parts rather than providing an objective view of things. Last few chapters can be safely skipped, as they mostly talk about the author's view of the current situation of India and has very little bearing on the TCS story.

The TCS Story and Beyond | S. Ramadorai | Book Review
The TCS Story ... and Beyond by S Ramadorai does not disappoint in this regard. Ramadorai, who was with Tata Consultancy Services (TCS) for 40 years, has not only given an account of his personal journey and the strategy that TCS adopted but also provided a deep insight into the Indian IT industry, and the beginnings of the offshoring model that has made India's software exports an over \$60-billion industry, and TCS an over \$8-billion company.
