The Tenth Chamber is full of dangerous secrets. This is a thriller reminiscent of James Rollins or Clive Cussler - a book where archaeology, history, and modern day adventure combine to make one exciting adventure story. For me, the modern day story was far more exciting than the historical portion.

In *The Tenth Chamber*, Glenn Cooper introduces us to a new hero, Luc Simard, an archaeologist with a flawless academic career and a flawed history with women. When a book dating to the fourteenth century is found after a fire in a monastery in the Perigord region of France, Luc's old friend Hugo calls him in to help decipher the mysterious illustrations that dot the coded manuscript.
