Amazon.com: The Trip to Echo Spring: On Writers and ...

The Trip to Echo Spring is a combination biography, travelogue, and memoir by an author who Amtraked her way around the US to catch the elan and times of six alcoholic writers. Though often drunk, drugged, disorderly, or locked up, they produced some of our best literature in the 20th C; they were always sick and suffering.

book for all writers or would-be writers. It's one of the best books I've read about the creative uses of adversity: frightening but perversely inspiring"

(HILARY MANTEL) "The Trip to Echo Spring is original, brave and very moving.

Laing's way of looking at a natural world that is free from human faults repeatedly prompts something like the "spiritual awakening" AA attendees hope for.
