**The True Believer: Thoughts on the Nature of
Mass ...**

Published in 1951, *The True Believer* detonated in the public mind almost immediately thanks in part to its subtitle: *Thoughts on the Nature of Mass Movements*. Recall that when it first appeared, the world was only six years past the demise of Nazi Germany, and communism had rapidly gained power as a global threat to freedom.

Mass ...

The True Believer seeks to explain the causes of mass movements and how political upheavals emerge predictably from psychological and sociological predispositions. It is broad, confident, and hugely insightful.

The True Believer - Wikipedia

The true believer is apt to see himself as one of the chosen, the salt of the earth, the light of the world, a prince disguised in meekness, who is destined to inherit this earth and the kingdom of heaven, too.¹⁸ He who is not of his faith is evil; he who will

**The True Believer: Thoughts on the Nature of
Mass ...**

Eric Hoffer was a San Francisco longshoreman who self-educated and left behind "The True Believer," an astonishingly insightful examination of the phenomenon of mass movements. Hoffer wrote the book in 1951, when two of the most malignant mass movements in human history, those that produced the Soviet Union and Nazi Germany, sprung up, and the writing reflects that to an extent.

The True Believer: Thoughts on the Nature of Mass ...

The True Believer: Thoughts On The Nature Of Mass Movements is a non-fiction book authored by American philosopher Eric Hoffer.

Published in 1951, it depicts a variety of arguments in terms of applied world history and social psychology to explain why mass movements arise to challenge the status quo. Hoffer discussing the sense of individual identity and the holding to particular ideals that can lead to fanaticism among both leaders and followers. Hoffer initially attempts to explain the motives
