The United States of Paranoia A film about a black man in America trying to raise his son, care for his father, and deal with his racially-charged hallucinations. Follow along!

The United States of Paranoia by Rashan Castro — Kickstarter

This morning I finished reading *The United States of Paranoia: A Conspiracy Theory*, Jesse Walker's brief but surprisingly comprehensive history of conspiracy theories in American life. The first half of the book identifies a few major types of conspiracy theory and observes how they appeared and reappeared in the American past, while the second half focuses on paranoia in modern America.

The United States of Paranoia: A Conspiracy Theory: Jesse ...

In *The United States of Paranoia*, Jesse Walker argues that conspiracy stories should be read not just as claims to be believed or debunked but also as folklore. When a tale takes hold, it reveals something true about the anxieties and experiences of those who believe and repeat it, even if the story says nothing true about the objects of the theory itself.

The United States of Paranoia: A Conspiracy Theory ...

The cornerstone for The United States of Paranoia, a famed essay called "The Paranoid Style in American Politics," was set by historian Richard Hofstadter in 1964. According to Hofstadter, "paranoia" (in a colloquial, cultural sense, not clinically) has been part of a "modest minority of the population," with "a greater affinity ...
