It should come as no surprise that women receive education here about the history of the Kurdish women's movement and the theoretical basis for women's liberation in Kurdish society known as Jineoloji. What I found more surprising – and deeply impressive – is the lengths to which the organization is also going to educate men.

Women's Liberation Movement

The original issue was whether the fledgling women's liberation movement would remain a branch of the radical left movement, or be an independent women's movement. Proponents became known as "politicos" or "feminists" respectively and traded arguments about whether "capitalism was the enemy", or the male-dominated social institutions and values.
