A Thing Explainer word checker – xkcd
In Thing Explainer, he uses line drawings and only the thousand (or, rather, ten hundred") most common words to provide simple explanations for some of the most interesting stuff there is, including: □ food-heating radio boxes (microwaves) □ tall roads (bridges) □ computer buildings (datacenters)

Books similar to Thing Explainer: Complicated Stuff in ...
And now this concept has a book of its own. Thing Explainer: Complicated Stuff in Simple Words is an illustrated "how things work" book. Munroe's beautiful, ligne claire-style illustrations are perfect for this task: you can pick out the tiny individual chairs in a recreation room on an oil rig, or the parcels in the hold of a tall ship.

Thing Explainer - Wikipedia
Thing Explainer: Complicated Stuff in Simple Words is a book by Randall Munroe where things are explained in the style of Up Goer Five (which is also included in the book), using only blueprint like drawings and a vocabulary of the 1,000 (or ten hundred) most common words in the English language. Randall found his own method to determine which words would go on his list, a list that is revealed in the book.

Thing Explainer: Complicated Stuff in Simple Words by ...
Since this book explains things, I've called it Thing Explainer. The diagrams in Thing Explainer cover all kinds of neat stuff—including computer buildings (datacenters), the flat rocks we live on (tectonic plates), the stuff you use to steer a plane (airliner cockpit controls), and the little bags of water you're made of (cells).

Amazon.com: Customer reviews: Thing Explainer: Complicated ...
The set of ten hundred words in Thing Explainer comes from putting together many ways of counting how much people use a word to come up with a single set of ten hundred words that should sound familiar and simple to lots of people. Thank you to James Zetlen, who helped make the word checker work on other people's computers and not just mine.

Thing Explainer - explain xkcd
So it was fun to read Randall Munroe's new book, Thing Explainer: Complicated Stuff in Simple Words, which will come out on November 24. Munroe sets out to explain various subjects—from how smartphones work to what the U.S. Constitution says—without any complicated terms.
