Ernst Nolte's THE THREE FACES OF FASCISM is a serious study of Fascism that avoids the popular but inaccurate view that Fascism is a political disapproval word. Nolte attempts to describe a philosophical view of Fascism and partially comes to grips with this much misunderstood view of Fascism.

Three Faces of Fascism | Throne and Altar
Three branches of fascism get reviewed here with insights from history, philosophy and psychology as cultural influences. Action Francais, Italian fascism and National Socialism get looked at inclusively and separately. We learn of the circumstances of Hitler's rise to power and the Duce's transformation from Marxist to state breaker.
