Project 2 - Organize Your Speech EXECUTIVE SUMMARY

Good speech organization is essential if your audience is to follow and understand your presentation. You must take the time to put your ideas together in an orderly manner. You can organize your speech in several different ways; choose the outline that best suits your topic.

A Guide to Effective Mentoring - Maverick TM CC6 is one of the best projects where you not only play with your voice modulations but also work on

the previous 5 projects you already went through. So you use metaphors, you make eye contact, you smile, you use hand gestures and combined with that you use your vocal cords, modulations, pauses to send your message to the audience.
