SSN: A Strategy Guide to Submarine Warfare by Tom Clancy
The author of nearly a dozen international best sellers in the "techno-thriller" genre, Tom Clancy's SSN is his initial foray into the realm of computer simulations. For all the hoopla about the accuracy of his insights into the classified nature of weapons systems, Tom Clancy's SSN is a far departure from real life. The simulation has a very involved plot of an impending world crisis, involving the Chinese, everyone's favorite baddies now that the Soviets are relegated to the history books.
