Tomtom Go Live 1535m Manual

Never leave your TomTom GO LIVE or accessories on view when you leave the car as they may become an easy target for thieves. It is important to take care of your device: Your device is not designed for use in extreme temperatures and any such exposure may cause permanent damage.

TomTom GO Live 1535M Repair - iFixit

As it happens on this page is where you'll find the other settings and edits that are necessary to get the TomTom update to work. You need to disable the Connected Standby feature, at least for the update. This feature does save you power but it kills the update because it turns the power to the USB port off and without that the update will fail.
