Tourism Research Methods: Integrating Theory with Practice ...

Tourism research methods: integrating theory with practice. Description This book (i) moves beyond the business/social phenomenon divide of tourism research; (ii) provides a discussion of theory but integrates this theory with specific tourism examples and case studies to assist student learning and application of approaches and techniques; ...

(PDF) RESEARCH METHODS IN TOURISM

Within the tourism industry there is a growing consensus on the need for research to investigate the economic, social and environmental impacts of tourism. However, existing research methods texts are based solely on either the business approach or the social science approach to tourism. They often fail to provide real world examples of how to plan, implement or analyse tourism related research.
