Toyota Celica - Wikipedia

Toyota Celica. Toyota Celica is a compact sport coupe. It had been produced in the period since 1970 till 2006. In the range of the sporty Toyota cars Celica was situated between MR2 and the legendary Toyota Supra. It may be interesting for you to know, that first Supra was the more powerful version of Celica, and only later it detached as a separate model.

Toyota Celica Engine | Specs, problems, tuning, etc.

Compared with the best-selling sixth-generation Celica 1.8 ST, the new car was faster, cleaner, cheaper, more frugal and even better specified. Of course things got even more exciting when a 190bhp model was added almost a year later. What elements of the seventh-generation Toyota Celica do you fondly remember?
