File Type PDF Toyota Corolla Engine Overhauling Procedure

salamz brothers, I own a corolla 1982 which I bought brand new in the same year. Now this car is with me for last 25 years and I have driven it about 2.50.000 km without any problems. (never touched engine except tune ups)..still runs very good. But after this much kms now it started burning oil so I decided to overhaul the engine AT HOME. as I have almost every possible tool at home for my rides.
