Train (band) - Wikipedia

Train songs exist outside of country music,  
but no other genre's development owes more to  
these stories of the disappearing railroad  
blues.

### Train Song Lyrics | MetroLyrics

Awesome and it rocks its one the best I have ever heard. This song made Train who they are. They wouldn't be anywhere as close to being as good of a band as they are right now without this song. Awesome song and it is definitely one of the best I have ever heard before. Nothing will ever compare to ...

### Train Song

A train song is a song referencing passenger or freight railroads. Trains have been a theme in both traditional and popular music since the first half of the 19th century and over the years have appeared in all major musical genres, including folk, blues, country, rock, jazz, world, classical and avant-garde. While the prominence of railroads in the United States has faded in recent decades, the train endures as a common image in popular song.
